

IN ADMIRATION OF MUSIC

PHANTOM VOKAL

The newest member of the PHANTOM range expands the PHANTOM universe to include outstanding multi-channel movie and music experiences.

PHANTOM VOKAL has been carefully voice-matched to our other PHANTOMs to facilitate seamless integration into a breathtaking surround system. The PHANTOM VOKAL is an addition destined to become legendary among multichannel home entertainment enthusiasts.

The exceptionally wide dispersion characteristics of our proprietary hybrid tweeter module ensure that even listeners seated at off-center positions will fully enjoy the big picture.

PHANTOM VOKAL is ideal as center channel in a cinema setup. But, it can also be used as front/rear ceiling speaker.

Features:

- Voice matched to the rest of the PHANTOM speakers
- 2 x 5" woofers with wood fiber cone
- Hybrid tweeter module with 28mm soft dome and ribbon tweeter
- Aluminium back-box - sound will be isolated to the room where the speakers are mounted.
- Earthquake fixings
- Paintable
- Retrofitable
